Fish-In Report

Larry Sullivan

Ambassador Director

Hey Western.....Lake Washington was a bust as Mother Nature handed us our hats...so to speak!!

Two boats with 5 anglers showed and all were off the water by 11:30!! 35 MPH winds...rain and even thunderstorms made it a short day!!

Rain gear proved a good thing though!! 100 MPH gear Rocks!!!

We have several issues the next few months...Dec. 5th is a tourney on Lake Washington.....then we get into Holiday family and shopping time and we cannot go the last weekend of November due to Thanksgiving....so we are gonna have to do a "Spontaneous Fish-IN!!" keep an eye on the website-forum for the time and place and see if we can figure out a plan!
