

Proposed Lake Kapowsin Aquatic Reserve – Two Community Workshops

Curious about the Department of Natural Resources (DNR) plan to make Lake Kapowsin an Aquatic Reserve? Come talk to us about what the plan might mean for the lake's future. These workshops will give you an opportunity to learn about and comment on the draft management plan. Share your thoughts about how to build a community partnership to ensure future generations can enjoy Lake Kapowsin as we do now.

What is an Aquatic Reserve?

- Public use and access encouraged
- Protection of aquatic environment
- Collaborative management
- Does not include private property

Draft plan available at:
